Boubaki's Army Enters Switzerland.

London, Feb. I. An official dispatch announces that Bourbaki's army, 80,000 strong, entered Switzerland to-day. The Federal authorities have summoned the Cantons to pre-

National Assembly.

A Proclamation from Cambetta.

Bordeaux, Feb. 1. Gambetta has issued a proclamation, saying: "Frenchmen; Prussia believes an armistice will dissolve our armies and secure the election of a chamber ready to conclude a shameful peace. It depends on France to upset these calculations. It is necessary to make the armistice a period for the instruction of our young troops. Continue

essary to make the armistice a period for the essary to make the armistice a period for the instruction of our young troops. Continue with annelaxed vigor, organizations for defence and for war if necessary, while you install a National Republican Assembly, willing to make such peace only as is compatible with the honor, rank and integrity of France.

The best justification of the Bordeaux govdisposer near the public meeting last night, which resolved in a mass demenstration to-morrow to formally request M. Gambetta to accept the Presidency of the committee of public safety and prosecute the war to the death. There have

been demonstrations of an extremely warlike character on the part of the people of Lyons, thousands of whom have assembled at public meetings and paraded the streets with shouts, "Vive la Guerre" and "Vive la Commune."

London, Feb. 5. A complete rupture has taken place between the Paris government and Gambetta. The restoration of the Empire is probable. It is reported the Pope has undertaken to assist in the restoration. In the Clubs it is reported that Bismarck is laboring under some mental excitement, his mind being so unbalanced as to render him virtually insane.
